APPLICATION

1. Rahab is referenced in James 2:25 as one who proves the reality of her faith by what she does. Can you point to any examples from our day? Do you see any examples from others in your life, even within your growth group?

2. Jesus directly taught His disciples (and us) that we should expect trouble in this world. Read John 16:33 and Matthew 28: 18-20. What promise does He make to His children? Share a burden or fear you're facing with your group and prayerfully apply these verses to your request.
